Date of birth 04 July 2001 | Nationality Indian

RESEARCH INTERESTS

Behavioural Economics · Monetary Economics (CBDC & Digital Payments) · Public Policy & Welfare Design · Development Economics

WORK EXPERIENCE

Feb 2026 – Present

Business Analytics Associate (part-time)

Fairylite, India

- Assisting in operational workflow monitoring and customer engagement analysis
- Supporting reporting and trend observation for platform activities
- Coordinating with support teams on operations and customer support tasks

Aug 2025 – Jan 2026

Business Analytics & E-Commerce Operations Intern (part-time)

Fairylite, India

- Assisted in analysing customer purchasing behaviour and engagement trends
- Supported operational reporting and catalogue coordination
- Observed digital commerce and customer interaction patterns

Feb 2025 – Jul 2025

Consumer Behaviour & Market Research Intern (part-time)

Floatin, India

- Assisted in consumer behaviour analysis and market research for digital campaigns
- Contributed to audience insights and campaign reporting
- Supported preparation of analytical summaries for client projects

Dec 2024 – Mar 2026

Research Assistant (concurrent with M.A. programme)

Dev Indravati Post Graduate College, Varanasi, India

Supervised by **Dr. Harendra Kumar**, Assistant Professor, Department of Economics

- Conducted primary field survey (N = 68 bilingual households, Varanasi)
- Performed statistical analysis and data visualisation using R on longitudinal NPCI datasets
- Designed and implemented bilingual (English–Hindi) household survey instrument
- Developed independent theoretical framework (Digital Envelope Model, λ parameter)
- Integrated theory with empirical survey evidence for dissertation

EDUCATION AND TRAINING

2024 – 2026

M.A. Economics (Ongoing)

Uttar Pradesh Rajarshi Tandon Open University, India CGPA: 7.26 (till 3rd semester)

Ranked in Top 5% of cohort · Enrolment No. 242816231294304

Microeconomics, Macroeconomics, Public Economics, Monetary Economics, Mathematical Methods, Development Economics, Econometrics, International Trade

2019 – 2022

B.A. English (Honours)

Binod Bihari Mahto Koyalanchal University, India
Distinction

CGPA: 7.56 | First Class with

2019 Senior Secondary (12th) – CBSE

Percentage: 61%

2017 Secondary (10th) – CBSE

CGPA: 7.4

PERSONAL SKILLS

Mother tongue Hindi

Other languages

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1
Medium of Instruction Certificate – Dev Indravati P.G. College, affiliated with UPRTOU (Ref: DIM/1387/2026, 16 April 2026). English was the exclusive medium of all lectures, coursework, research, dissertation, and viva voce throughout the M.A. Economics programme (2024–2026).					

Levels: A1 and A2: Basic user – B1 and B2: Independent user – C1 and C2: Proficient user
[Common European Framework of Reference for Languages](#)

TECHNICAL AND ANALYTICAL SKILLS

Technical skills **R** (statistical computing & data analysis) · **Stata** (basic–intermediate) · **MS Excel**

Analytical skills Micro & Macroeconomic analysis · Behavioural modelling & theoretical framework development · Econometrics (basic–intermediate) · Survey design & primary data collection

PUBLICATIONS

Kumar V.: *The State λ Paradox: Programmable Friction, Welfare Targeting, and the Case for Dual-Track CBDC Design*. Working Paper, SSRN (May 2026), 14 pp.
ssrn.com/abstract=6729898

- Developed the Digital Envelope Model with programmable friction parameter ($\lambda \in [0, 1]$)
- Derived welfare function $W(\lambda) = U(\lambda) - C(\lambda)$ and policy implications for CBDC architecture
- Combined original theoretical framework with empirical survey evidence (N = 68)
- Proposed Dual-Track CBDC system for welfare-targeted monetary policy

DISSERTATION

“Invisible Money, Visible Effects: Behavioural Responses, Monetary Policy Transmission, and CBDC Design in India”

M.A. Economics Dissertation | UPRTOU | Supervisor: **Dr. Harendra Kumar** (Assistant Professor, Department of Economics)

- Investigates behavioural impact of India’s digital payment transition using NPCI datasets
- Integrates theoretical framework with bilingual household survey (Varanasi, N = 68)
- Applies R-based statistical modelling; theoretical grounding in Prelec–Loewenstein

ADDITIONAL INFORMATION

Academic standing Ranked Top 5% of M.A. Economics cohort – certified by Dev Indravati P.G. College (Ref: DIM/1387/2026, 16 April 2026). Research focus in Behavioural Finance, Monetary Psychology, and Digital Transformation noted by institution.

Supporting documents Available on request (certificates of academic standing, research assistantship, medium of instruction, and letter of recommendation).
